

# TECHNICAL BULLETIN

Title	CC-Link IE TSN - CC-Link Bridge Module UL/cUL listed
Issued date	August 2025
Relevant models	FA3-BR1TC

Thank you for your continued support of Mitsubishi Electric Engineering FA related products.

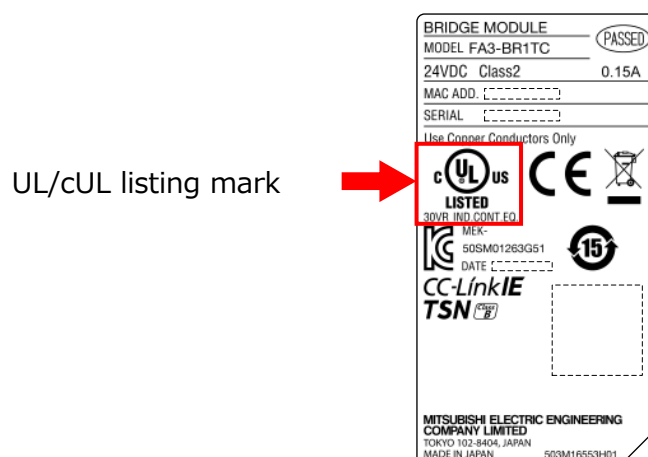

This technical bulletin informs you that the UL/cUL listing mark in addition to the CE marking and the KC mark will be displayed on the CC-Link IE TSN - CC-Link Bridge Module.

## 1. List of UL/cUL listed models

Product name	Model name	Standard No.	File No.
CC-Link IE TSN - CC-Link Bridge Module	FA3-BR1TC	UL 61010-1 UL 61010-2-201 CAN/CSA C22.2	E197760, Volume 10

## 2. How to identify UL/cUL listed products

You can identify UL/cUL listed products by checking whether the UL/cUL listing mark is displayed on the rating plate attached to the module.

## 3. Schedule

The UL/cUL listed products will be shipped, starting from the products manufactured in April 2025.

Note that, both the products before and after change may be distributed in the market around that time.

Trademark

CC-Link and CC-Link IE TSN are registered trademarks of Mitsubishi Electric Corporation in Japan.

FAGoods and MEEFAN are registered trademarks of Mitsubishi Electric Engineering Company Limited in Japan.

The company names, system names, and product names mentioned in this document are either registered trademarks or trademarks of their respective companies.

In some cases, trademark symbols such as '®' or '™' are not specified in this document.
