1. List of Models to Be Discontinued

- 2. Production Discontinuation Schedule Production discontinuation: June 30, 2023 (terminated as soon as the stock has run out)
- 3. Reasons for Discontinuation
 - •We have difficulty in obtaining some components for the relevant models.
 - Thus, we presume that the production of the models will not be continued smoothly.
 - •The number of orders and shipments has been small since the release of the models,
 - and we presume that the demand will not grow in the future as well.
